

Miranda Scott

INTERIOR DESIGNER

Profile

Miranda is an interior designer located in Columbus, Ohio. She has been in the design industry for over two years. She believes that design should continuously evolve with the world around us. In this field, multiple visual dynamics are used to create a wide variety of interior environments. However, design should not just be used as an aesthetic to influence a user's emotions; it must also provide functionality and accessibility.

Academics

Ohio University, Athens, Ohio
Bachelor of Fine Arts in Interior Architecture, cum laude
Minor in Advanced Studio Arts
